Subject: Costs at Pasco Sanitary Landfill

Dear Ms. Cohen:

I am writing on behalf of Mr. Larry Dietrich of the Pasco Sanitary Landfill.

I would like to know how much has been spent to date by EPA and EPA contractors at the Pasco Sanitary Landfill. I would also like to know under what circumstances you would attempt to be reimbursed for your costs. I am requesting this information under policies and privileges of the Freedom of Information Act.

Sincerely,

John A. Zillich

Environmental Specialist
